SKILLS SUMMARY

Frameworks & Languages: React.js, Next.js, Express.js, Node.js, JavaScript, TypeScript, HTML, CSS
Database: MongoDB, Firebase, Google Auth
Technical Skills: Frontend Development, Web Optimization Techniques, RESTful API Integration
Tools & Libraries: Redux Toolkit, Zustand, React Query, Framer Motion, Axios, Git, GitLab

PROFESSIONAL EXPERIENCE

Deeporion Technology May,2023 - Jan, 2025
Software Developer Engineer - Frontend Remote

- Improved UI performance by 60% using code splitting and lazy loading in React.js.
- Integrated 20+ REST APIs with 100% error handling and user feedback coverage.
- Reduced UI bugs by 70% through efficient debugging and component testing.

Devripples Infotech Aug,2021 - May, 2023
Software Developer - Frontend Remote

- Converted Figma/Miro designs into responsive UIs with 99% pixel accuracy.
- Integrated 15+ third-party APIs and improved load speed by 45%.
- Boosted team productivity by 30% using GitLab, Jira, and structured workflows.

Dollar Infotech Jul,2020 - Dec, 2020
Software Developer Intern Neemuch (M.P)

- Built responsive UI pages using HTML, CSS, and JavaScript, improving design flexibility by 5
- Created responsive layouts for student and admin dashboards with 100% mobile compatibility.

PROJECTS

Dashify - SaaS Admin Dashboard [Live](#) | [Github](#)

- Built a full-stack admin dashboard with role-based access (Admin/User) using Firebase Auth and Firestore for backend services
- Designed a responsive UI with React, Tailwind CSS, and theme switching (light/dark mode with 10+ color palettes)
- Managed global state using Zustand and optimized data fetching and caching with TanStack React Query

NextBlog - Full-Stack Blog Application [Live](#) | [Github](#)

- Created a secure blogging platform using Next.js and MongoDB with JWT-based authentication and slug-based dynamic routing
- Managed state and API calls using Redux Toolkit and RTK Query; built an accessible UI with Tailwind CSS, Material UI, and Notistack
- Integrated MongoDB with Mongoose to store blog content and image URLs, supporting dynamic blog rendering

EDUCATION

Vikram University, Ujjain 2018 - 2021
Bachelor of Business Administration (BBA) Grade - A
